

2019 BWGL YEAR-END AWARDS DINNER

So, once again, we got to (or had to) change courses (from Echo Hills to Braeburn to Clapp, and now MacDonald. I really don't think the courses close because of us or even in spite of us. We have shown a lot resilience since BWGL was organized back in the 80's and we have not slowed down much at all. We still have our 9-hole league play, our 18-hole tournaments and our out of town weekend "for fun" tournaments, while keeping up with our obligations to host and support WAWGA tournaments and activities. Our membership may not be as robust as it once was but I believe that is just a "sign of the times"!

On October 29th, we once again celebrated our WINNERS IN LEAGUE PLAY....and those winners were:
