## October Newsletter

I can't believe it is the end of September already! We've just had our club championship/Founders tournament and our last blast will be next weekend. We are excited to have Ellie Keppy (champion) and Terry Wittrig (runner-up) representing our club in the Orlando Tournament October 10th at Terradyne CC – we will be cheering you on! Thank you Nancy for getting all of the details arranged and thank you Margo for getting our plaques updated for the current club champions – Ellie Keppy and Barb Anthem (low net).

A group of us also enjoyed our BWGL fall social last night at Roxy's – to watch the Golden Girls. A great time! Thank you Melissa and your team for putting a fun night out together – it was a cute show and a lot of fun. Our year-end banquet will be coming soon in November.

It is that time to start looking for volunteers to serve as officers and committee chairs for next year! I am starting by asking for 3 volunteers 😊 to serve on the nominating committee. Please let me know if you are interested in helping to nominate your friends for 2024. We have had a GREAT group of women this year that have knocked it out of the park in serving as officers, heading committees, and volunteering at events – great participation and really fun tournaments and events!

We have a great group that has a lot of fun together – please think about serving in 2024!

Thank you!
