Notes From the Rules Chair

by
Nancy Knopp

I would like to encourage everyone to download The USGA Rules of Golf App. This is a FREE app and is much easier to carry in when golfing than the actual book of rules. It's also easier to navigate and faster to find what you're looking for than in the book.

June: Repeat to make sure you have these down pat

6 - Relaxed Restrictions in Bunkers:

- You can touch or move loose impediments in the bunker, but be careful you don't move your ball when doing so or you'll get one penalty stroke.
- You cannot touch the sand with your club next to your ball, or during the backswing for your stroke.
- You also cannot touch the sand anywhere to test its condition or when making a practice swing.

7 - Actions Allowed in Penalty Areas:

- You are allowed to:
- Ground your club
 - Take practice swings
 - Touch water
 - Remove loose impediments
 - Take penalty area relief

8 - Dropping and Measuring Relief Area:

- Drop your ball from knee height so that it lands in and comes to rest in the relief area, except when take back-on-the-line relief where the ball must be dropped on the line.
- Your relief area is either one or two club-lengths. measure from the reference point (based on the Rule you are talking relief under).

9 - Penalty Area Relief:

- For one penalty stroke, you have two relief options from a yellow penalty area and three relief options from a red penalty area.
 - a. Stroke-and-Distance (red or yellow). Play from the relief area based on where your previous stroke was made.
 - b. Back-On-the-Line (red or yellow). Drop a ball on a line that goes from the hole through the point where your ball last crossed the edge of the penalty area and it must come to rest within one club-length of where it first hits the line.
 - c. Lateral Relief (red only). Drop a ball within a two club-length relief area measured from where your ball last crossed the edge of the penalty area, and no closer to the hole than that point.

10 - Changing Balls Allowed Taking Relief:

- You can use your original ball or another ball when taking either free relief or penalty relief.

SOCIAL NEWS

MELISSA RODRIGUEZ AND SHERRI SHOFNER

I think I can say, unequivocally, that Game Night was a success! 18 members attended and enjoyed games and pizza plus salads, fresh grapes, and several desserts. Thank you to everyone who brought food to the event.

We played "Corn Hole" in the open hallway and yard darts in the long entryway. The darts were the safe kind with rubber ball ends so no golfers were harmed by darts. We have some very skilled athletes among us. Dollars were paid and won by many. Later we played Pictionary and all those who said "I can't draw", did some very fine artwork. Head Bands, a form of password, was fun as well. Again, more winners! The pizza arrived right on time, and we were all starving after expending all that energy. Everyone had their fill, and decided that Domino's pizza is worth a second try.

Sherri, our "game guru" and my Social assistant, was awesome! She furnished all the games and directed play to keep us moving. Nonya was great in assisting with the games as well. If something looked like it needed doing, someone jumped in and helped. Thanks to all of you and to Ann Wagner for securing the clubhouse and jumping in to help set up. Everyone that was left after our 2 rounds of Bingo, (Both won by Nancy Knopp!) helped clean up and put away tables and chairs, etc. Thanks to all of you!

Be looking for our Next Social event, coming in July. Does take me out to the Ball Park sound familiar?

DID SOMEONE SEE BIG FOOT?

BWGL's Big First Out Of Towner was held May 4th and 5th in Overland Park, KS. Day one was a Kentucky Derby Calcutta and Hat Affair at Sykes Lady. Day 2 was at St. Andrews and had teams rotating hitting the Big Foot Ball and recording a separate score for it. Unfortunately play was cut to a nine holes thanks to some rainy weather. Many thanks to Vicki Little, Pat Totten, Lana Lyda and Vicki Smith for the fun event.
