

HILLCREST / PEORIA RIDGE
AKA LAS VEGAS

The staff at Hillcrest was very friendly and helpful – can't really say the same for the course! But, they did have an additional challenge when the mowers broke down so the tee boxes and the fairways weren't too friendly. In my opinion the greens would have been testy whether mowed or not. It appeared to me that they just built the fairways up to a hill then put the putting green on the side of –or in the middle of–the hill... on every hole!! Sooo, we were all a little topsy-turvy.

Then, Becky B and Barb W introduced us to the "CHIPS"!! We played all day, both days, for CHIPS---Las Vegas style!! You could win chips for everything good you did!! And we were divided into Chipping Teams! We had the Lucky Lucys, Poker Annies, Slot Queens, Black Jack Bettys, Vegas Showgirls, and the Bellagio Beauties.
